1. Reference (A) lists the property leased by requests an increased authorization for repairs under
25X1 Paragraph 4.a. (3)(c).

2. Reference (B) delegated authority to the 25X1
25X1 to approve at each alterations, repairs, 25X1
and minor new construction, not to exceed for a single 25X1
project and a total cost of during any fiscal year. 25X1
This delegation of authority applies to premises assigned to
25X1 from other agencies, and those premises purchased by

3. The appropriate regulation applied in the case of leased premises is Paragraph 4.a. (1)(d) of which provides 25X1
that the cost of alterations and renovations of leased property
25X1 will not exceed percent of the first year's rental unless such
costs are to be applied or accredited against the rent. The cost
of the maintenance on leased premises is limited by the availability
of funds in the overhead or project allotments (Paragraph 4.a. (1),
25X1

4. In order for Headquarters to make a fair evaluation of the necessity to increase the limitations for alterations and renovations to leased property at Taiwan, the Station is requested to submit Real Property Reports (Form No. 36-280) on all their properties, as required
